Countdown to Camp

Only 35 days until Family Camp and 52 days until 1G begins!

Meghan and Dave will be packing up the office and moving to Camp on May 14th. That can only mean one thing:

THE 2010 SUMMER CAMPING SEASON HAS ARRIVED!

Here is a quick update:

- ◆ To date we have registered over 600 summer campers and nearly 200 family campers
- ◆ Spaces remain for Memorial Day and Labor Day Family Camps but they won't last long
- ◆ Session 2G only has 5 traditional camp spaces left
- ◆ Many canoe trips are full with waiting lists
- ◆ Girls' CIT is full with waiting list
- ◆ The new Program Center is complete and it looks fantastic
- ◆ The ice on Half Moon Lake went out at the end of March!
- ◆ Our final new camper orientation is Thursday night, 4/22 at the REI in Bloomington from 7-8pm. This also serves as an info night for any interested campers who haven't registered yet.
